EXPERIENCES

Accenture Song, Digital Product Designer

August 2024 - Present

Led end-to-end product design and UX/UI for AI, finance, and enterprise products, including scaling an agentic AI MVP for FP&A that achieved 25% reporting automation.

Redesigned legacy retirement workflows for TIAA while leading Build design across a distributed team and 3 product releases.

Audited 100+ screens for a Unilever Vietnam B2B platform - 6 priority findings, all actioned by the client.

Studio Carbon, Product Design Intern

Jan 2024 - June 2024

Shipped two live products — an agri-insurance dashboard deployed in 15+ countries and a youth mental wellness app for West Africa. Contributed to PRD and user stories for AuskeyTM, a remote digital stethoscope platform.

Freelance Product & Brand Designer

April 2024 - Present

Partnered with 8+ clients to develop brand identities and digital experiences.
